An insurance program designed especially
for campground operations.

It's important that your campers enjoy themselves and have a fun and safe stay. Unfortunately, accidents can happen. The insurance company you choose does make a difference.

West Bend's customized campground program is specialized for:

- Family-oriented campgrounds
- Local or franchise operations
- Religious campgrounds
- RV campgrounds
- Tourist or tent camping
- Long-term lot leases, seasonal or year-round operations

Coverages offered:

General Liability

Operating a business like yours isn't always easy. Sometimes situations occur that can result in a claim... a customer slips on a wet dock and is injured, an ad placed in your local newspaper unintentionally offends someone, or an organized activity at your campground gets out of hand. You put every ounce of your experience into keeping things in good order, but sometimes things don't go as planned. General Liability provides coverage for the cost of claims and legal defense.

Property Coverage

Your business has grown and you've invested in property and facilities. People enjoy visiting time and again. Protect these valuable investments with the right coverage at the right price. In addition to a variety of property coverages, West Bend offers the Property Enhancement Endorsement (Essential and Elite options) which provides additional protection, including coverage for computers, signs, spoilage, and employee theft.

Other Critical Coverages

Talk to your independent agent to find out what other valuable coverages you may need. Based on your needs, your agent may recommend higher liability limits in an Umbrella policy, Inland Marine for boats, Auto Liability for your service vehicles, or other essential coverages.
