An insurance program designed especially
for tanning salon operations.

One of the most important things you do each day is make sure your clients look and feel good. But it's just as important to make sure your business is properly protected so you're equipped to handle unexpected situations that may cause damage or injury to your property or your customers.

West Bend's insurance program is designed especially for tanning salon operations.

Because your business is unique, it deserves specialized attention. It's important to choose a company that understands your needs and can provide the proper coverages for your tanning salon operation. West Bend is dedicated to providing you with an affordable insurance product designed especially for your needs.

If a client is injured or your property is damaged, you'll need an experienced team of claim professionals who will be dedicated to handling your loss. West Bend provides protection for thousands of tanning salons throughout the Midwest.

Our customized Tanning Salon Program is designed with specialty coverages for sun tanning salons, including spray-on and air-brush tanning.

West Bend can offer your business all lines of property/casualty coverage including Auto, Property, General Liability including Professional, Crime, and Umbrella.

Coverages include:

General Liability

Operating a business like yours isn't always easy. Sometimes situations occur that can result in a claim ... a customer slips getting out of a bed and is injured, an ad placed in your local newspaper unintentionally offends someone, or an employee gives improper advice and a client is burned. If that happens, we'll be there to defend you. Professional Liability is included at no additional cost to you.

Property Coverage

You've invested in expensive equipment; maybe you've purchased your own building. Protect those investments with the right coverage at the right price. In addition to a variety of property coverages, West Bend offers the Human Services Property Enhancement Endorsement which provides additional protection, including coverage for utility services direct damage in the event that lightning surges, damaging all or several of your tanning beds.

Other Critical Coverages

Talk to your independent agent to find out what other valuable coverage you may need. Based on your needs, your agent may recommend higher liability limits in an Umbrella policy, Employment Practices Liability, or other essential coverage.

There are many reasons to choose West Bend for your tanning salon operations:
