Coverages offered

General Liability Coverage

Operating a business like yours isn't always easy. Sometimes situations occur that can result in a claim: a customer slips on a wet floor and is injured, an ad placed in your local newspaper unintentionally offends someone, or an employee gives improper pet care advice. If that happens, we'll be there for you.

Property Coverage

You've invested in equipment and supplies; maybe you've purchased your own building. Protect those investments with the right coverage at the right price.

Other Critical Coverages

Talk to your independent agent to find out what other valuable coverages you may need. Based on your needs, your agent may recommend higher liability limits in an Umbrella policy, Inland Marine for equipment, Employment Practices Liability Insurance or other essential coverage.
