Coverages Offered

General Liability

Operating a business like yours isn't always easy. Sometimes situations occur that can result in a claim ... a customer slips on a wet floor and is injured, an ad placed in your local newspaper unintentionally offends someone, or an employee gives improper advice during a self defense class. If that happens, we'll be there for you. Our low cost liability includes professional coverage for most accounts.

Property Coverage

You've invested in equipment and studio supplies; maybe you've purchased your own building. Protect those investments with the right coverage at the right price. In addition to a variety of property coverages, West Bend offers the Property Enhancement Endorsement which provides additional protection, including coverage for personal computers and employee theft.

Other Critical Coverages

Talk to your independent agent to find out what other valuable coverages you may need. Based on your needs, your agent may recommend higher liability limits in an Umbrella policy, Inland Marine for equipment, Employment Practices Liability Insurance or other essential coverage.

There are many reasons to choose West Bend for your insurance plan:
